Regular term of City Court first Monday in each month.

### Strikes Hidden Rocks.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for consumption. J. W. McKinnon, of Talladega Springs, Ala. writes: "I had been very ill with Pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at Woods & Orme's drug store, price 50c and \$1.00. Trial bottle free.

**CASTORIA.**  
The Kind You Have Always Bought  
Bears the Signature of  
J. C. H. H. H.

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

## SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

WE'LL SEND YOU A SAMPLE FREE.

SCOTT & BOWNE, 409 Pearl Street New York

### A \$500 Pearl.

New York American: Of all the persons on Coney Island last night, no two were quite so happy as Mr. and Mrs. Edward Morrison of Jamaica Bay, for on Sunday Mrs. Morrison caught a 375-pound loggerhead turtle at Rockaway Inlet and yesterday she found that the big lump on the creature's back was a "pearl binnacle" 100 years old and worth \$500. When Mrs. Morrison and her husband heard this they started at once for Coney Island to celebrate the event.

Mrs. Morrison, who is afraid to look at the turtle again for fear it may have a diamond necklace or a sunburst concealed somewhere, is preparing a list of her friends to give them a turtle supper. The turtle will attend the feast in a big wooden cage, and the pearl, mounted, will adorn the center of the table.

Mr. and Mrs. Morrison were out for weak-fish at Rockaway Inlet when there came a bite that almost pulled the hearty fisherman out of the boat. She held on and her husband began to row for the shore. An immense turtle crawled out on the beach and attempted to get away with the line, but little Master Morrison ran up and jumped on its back. The three soon had the creature fastened in a rope cradle and then towed it to Canarsie.

Crowds went to J. B. Casey's landing in Canarsie yesterday to get a glimpse of the big loggerhead. According to all the old fishermen of the place the turtle was an infant about four hundred years ago, or a short time after Columbus made his first visit to the United States.

### Will Flash 280 Miles.

A dispatch to the Inter Ocean from Colorado Springs, Col., says:

Tonight the greatest searchlight in the world will flash upon the west from the summit of Pike's Peak.

Possessed of twice the power of the lights carried by the great battleships, and built upon a track 120 feet in circumference, with rotating contact, this marvelous light will fall upon the Kansas-Colorado State line, the Royal Gorge and Denver and Cripple Creek gold fields. Its white beacon will carry 280 miles through the jagged hill country of the rocky mountains.

To accomplish this it was necessary to build an electric light plant upon Pike's Peak, which involved the almost impossible task of constructing a gasoline engine which could be operated at that altitude.

Master Mechanic David Jones overcame this difficulty. He figured that an engine, like human lungs, needs more air as the atmosphere becomes rarer, and he planned one which accentuated the air openers in an adequate degree. This unique engine works splendidly and the highest electric light plant in the world will be started tonight.

### Man's Footprint in Coal.

The Pottsville, Pa., correspondent of the New York Sun writes that paper as follows:

"The first human imprint ever found in anthracite coal was uncovered by Michael Sincavage, a miner of the Eagle Hill Colliery today, the print being that of a man's foot. Fossils of ferns, snakes, etc., have been plentiful, but this is the first evidence that pre-historic man was in existence in this country during the formation of the coal beds. The imprint, it is estimated, must have been made ten thousand years ago.

Sincavage, not appreciating the value of his find, dumped it in an ordinary coal wagon after he had shown it to his fellow miners.

### Paducah Negro an Inventor.

Courier-Journal. Henry Urkhart a colored switchman employed in the local L. & N. yards has invented a "brake shoe" which is said to be one of the best railroad appliances invented in years, and which may make the inventor a wealthy man.

The patent precludes any possibility of the shoe slipping, shaking or dropping out and will be a great time saver and a safety to the railroads in many ways. Urkhart is preparing to push his patent and will organize a stock company to get it on the market.

A brake shoe is a piece of iron fitted into a socket which fits against the car wheels. When the air is applied the shoe comes immediately in contact with the wheel and bears all the friction.

### Pitchfork Wound.

Owensboro Messenger: Mr. Oscar Payne, a farmer of the Basin neighborhood, is in a critical condition as a result of having a pitchfork handle driven in his side. The large wooden handle penetrated his body to the depth of eight inches. There is very little hope entertained of his recovery by his friends.

The accident was a very unusual one. Mr. Payne was in his barn loft forking hay, which was being thrown up to him from a wagon. He lost his footing in some way and dropped his fork in an attempt to steady himself. The fork fell through an opening in the floor to the ground, and the times, sticking in the ground, held it in an upright position. Mr. Payne's efforts to keep from falling failed. He fell full weight on the handle of the fork.

### Mt. Vesuvius in Active Eruption.

Naples, Aug. 30.—Mount Vesuvius is in full eruption; a dense black cloud hangs over the islands, which has thrown the inhabitants into a state of panic.

### This May Be True.

H Colorado Springs special to the Chicago Inter Ocean says:

"Evidently mistaking hailstones for corn or some other kind of food six valuable Pekin ducks belonging to Samuel Hodgson of Florence, Col. ate heartily of them and died soon afterward. When cut open the fowls were found frozen inside. The life of another of Mr. Hodgson's ducks was saved by pouring hot water into its ear.

The ducks, which had remained in the shelter of the barn during the heavy hailstorm, rushed out when the storm was over and were seen by members of the Hodgson family rapidly eating the ice lumps.

Soon they began to stand on one foot and then on the other, as in winter days. One after another they fell to the ground and died within a few minutes. Mr. Hodgson is at a loss to understand the cause of their death until he had cut them open.

### Scattered the Crowd.

Shelbyville, Ind., 30.—Three thousand persons attended a harvest carnival in the public square were driven from the place last night by a cloud of frisky crickets that suddenly descended upon the gathering as though from the clouds. The insects covered the ground to a depth of several inches and alighted on the shoulders and heads of the persons present until all were obliged to evacuate the premises. Whither they came from will ever remain a mystery.

## German Liver Powder

(Dr. Carlstedt's)

Dr. Carlstedt's German Liver Powder is a wonderful remedy, a prescription used for over fifty years by an eminent German physician in his practice both in Europe and this country and sold by thousands of druggists all over the world. So mildly natural are the effects of this remedy that all Kidney and Liver troubles give way to perfect health. It cures the worst cases and many have been cured who had tried every known remedy.

Symptoms of Liver Complaint: Dyspepsia, indigestion, rheumatism, joint, skin eruptions, salivaceous, constipation, dizziness, vertigo, headache, piles, pain in the back, weakness, bad breath, furry tongue, horrid taste, unpleasant dreams, insomnia, neuralgic, sleeplessness, nausea, flatulence, swelling of the abdomen, colicky condition of the bowels, pain and soreness in the stomach, liver spots on the skin, loss of memory, impaired vitality, drowsiness, lack of energy, indigestion, crankiness, blood poisoning, nervousness, falling hair—oh, there are lots of them and each one emphasizes the importance of having Dr. Carlstedt's German Liver Powder constantly within reach. It is the right thing at the right time, sure and certain in effect, pleasant and perfect in action.

For your own sake, don't neglect any of the symptoms of liver disorder or the complaint will become chronic and the ultimate, after untold sufferings, is DEATH. Price 25c and \$1.00.

Woods & Orme

### Save 1-2 Your Paint Bills

By using Weir's Bavarian White Lead, the most durable and therefore the most economical lead or paint made. It has time in it. The time gives the paint a beautiful gloss and prevents the lead from destroying the linseed oil which is the life of ALL PAINT. "Pure Lead" by itself will eat and destroy the linseed oil, thus causing the paint to become porous or open and dust off. Weir's Bavarian White Lead is better and cheaper than mixed paints because one-half of every gallon of mixed paint is linseed oil for which you pay \$1.50 per gallon and get an old, stale, unsound linseed oil. Buy fresh oil from your dealer's barrel at its true value. 4 1-2 gallons linseed oil and 100 pounds of Weir's Lead will make 6 1-2 gallons best paint ready to use, that will cost you no more than other standard brands of lead and much less than mixed paint and will last twice as long as either. Write D. T. Weir White Lead Co., St. Louis, Mo., for their booklet "Facts About White Lead." Weir's Bavarian White Lead is for sale by Cochran & Pickens, Marion, Ky.

### Southdowns For Sale.

A few registered rams for sale also 35 ewes, all ages, at my farm six miles north of Marion. A. DEAN, Marion, Ky.

All Steel Hay Rakes one and two horse hand dump, \$13.50. Only a few left. Cochran & Pickens.

### Has Stood the Test 25 Years.

The old, original Grove's Tasteless Chill Tonic. You know what you are taking. It is iron and quinine in a tasteless form. No cure, No pay, 50c.

### Wedding Superstitions.

A bride who finds a spider on her wedding dress may consider herself blessed.

The bride who dreams of fairies the night before her marriage will be thrice blessed.

If the wedding ring is dropped during the ceremony, the bride may as well wish herself unborn, for she will always have ill-luck.

If the groom carries a miniature horseshoe in his pocket he will always have good luck.

No bride or groom shall be given a telegram on the way to church. It is positively a sign of evil.

Kiss a bride right after the ceremony, and before the newly-made husband has a chance to do so, and you will have excellent luck throughout the year.

Should a bride perchance see a coffin while being driven to the railway station prior to departure upon her wedding tour, she should order the driver to turn back and start over again, or else she will surely meet with bad luck.

### Notice to Home-Seekers.

I have some valuable land in Arkansas in my hands for sale to bona-fide home-seekers at prices ranging from \$5.00 to \$30.00 per acre, some in valley, some in hills and in the swamps. BUTLER CRISP, Piggatt, Ark.

### Girls Stay Young.

Sometimes our girls are in haste to reach young ladyhood, and the advantages they imagine is gained with it, that they forget the added burdens and trials that necessarily follow in its train. Waiting of this, a writer wisely says: "Wait patiently, my children, the whole limit of your girlhood is not after womanhood; let it come to you. Keep out of public view. Cultivate refinement and modesty. Care and responsibilities of life will come soon enough. When they come you will meet them. I trust as women should. But, oh, be as unwise as to throw away your girlhood. Rob not yourself of the beautiful season, which wisely spent will brighten all your future life."—Ex.

### Gave \$1,000 To Hospital.

Portsmouth, N. H., Aug. 29.—Baron Komura and Mr. Takahashi, who last week attended a party at York, Me., having subsequently ascertained that the party organized for the benefit of the York Hospital, gave \$1,000 to the hospital. The management of the hospital requested the Associated Press to make public the fact of this magnificent and unexpected gift, and to announce that it has been decided to perpetuate it by endowing two beds in the hospital, and placing over them tablets inscribed with the names of the donors.
